

# RZLBD HOPSCOTCH

## SEEKING A TERRITORY FOR A VISION

### JOIN THE INFECTION

We are pleased to invite you to our upcoming exhibition and book launch.

Part monograph, part manifesto, RZLBD HOPSCOTCH questions the conventionality of the single family home through 12 built residential infill projects within the Greater Toronto Area. Exploring space through volumes and voids, RZLBD works to positively infect the urban context pixel by pixel.
